

Dear Brethren,

Sovereign Grace Bible Church of Phoenix (SGBC) is seeking to call a full time teaching elder/pastor. We currently have two full time pastor/teaching elders and one is retiring. We also have two lay elders. Ministry responsibilities and opportunities are be divided amongst the four elders based upon gifts, life experiences, desires, work loads, and availability. All elders are considered as equals in authority and responsibility as regards leadership and decision making.

Please visit our web site - www.sgbcpbx.org - and review our statement of faith and other information regarding SGBC. We adhere to the majority of the London Baptist 1689 confession. Where our convictions differ is detailed in our modifications document. Please review.

We are looking for someone who is an experienced father and has raised children into or through their teenage years and considers shepherding and counseling, along with teaching and preaching, as an integral part of pastoral ministry. This is a full time salaried position with full family medical benefits.

If after reviewing the information on our website you desire to apply please send an electronic copy of your resumé to pastor John Tock, jtock@cox.net. We are presently screening resumé's and will send you a complete application packet and questionnaire if we are considering you for this position. We will also promptly inform you if we are not considering you.

Thank You

SGBC Elders
